

GOLDEN PEAKS RESOURCES LTD.

Golden Peaks Resources Ltd. (TSX: GL) is a progressive international exploration and resource development firm. As a result of continued development of its grassroots exploration projects in Argentina, and increased international opportunities, Golden Peaks is seeking an experienced Senior Exploration Geologist for its Vancouver office. The job will entail extended periods of field work and the compensation package will be commensurate with experience. The successful candidate will report to the President and will work with our team of geologists to implement exploration programs and to identify acquisitions of merit.

The ideal candidate will possess the following qualifications:

- Master's Degree in Geology;
- Member of a professional association (P. Geo. or P. Eng.);
- 10 years appropriate experience in mineral exploration;
- Proficient in English and Spanish;
- Experience with ArcGIS, Target, AutoCAD, CorelDraw, Microsoft Office Suit.

Necessary qualities

- Good people skills, with the ability to develop effective relationships and team leadership;
- A self starter, with multidisciplinary skills and a well-developed sense of responsibility;
- Ability to interact with a variety of people, at all levels, with good reporting skills;
- At ease with autonomy and capable of managing processes with Exploration project supervision skills.

Applications should be mailed to:

505-1166 Alberni Street Vancouver , British Columbia Canada V6E 3Z3 or via email to info@goldenpeaks.com. Confidentiality is assured.

Golden Peaks provides a stable, challenging and rewarding environment for personal growth and development. We offer a technically progressive, entrepreneurial working environment, with competitive salaries and the opportunity to be part of a world-class team.

We thank all applicants for their interest, however, only those selected for an interview will be contacted. Golden Peaks is an equal opportunity employer
